**TRANSITION TO ORGANIC
PARTNERSHIP PROGRAM**

Introduction:

This directory is brought to you with the help and support of the UDSA Transition to Organic Partnership Program. Walking this journey of organic certification, whether you are new or have been doing it for years, immersing yourself in this unique and exciting endeavor can be fun and interesting. It can also be intimidating and lonely. Having a good resource of people that you can tap into that are walking a potentially similar journey and knowing you have a way to reach out is a gift to be used. Get to know your fellow organic producers, businesses, and NPSAS members. The community that has the potential to surround you can make your organic farming journey a great cherished ride you'll never forget.
