

ORGANIC ACADEMY ROADSHOW in SOUTH DAKOTA

Don't miss your opportunity to explore the opportunity of organic farming. Learn about certified organic production systems for livestock, grains, oilseeds, pulses, and specialty crops!

This workshop is **FREE** and is geared for beginning farmers and ranchers who want to transition their operations to organic production.

Join us to learn about transitioning to organic.

Madison, South Dakota | July 17-18, 2024

**Johnson Family Farm Tour 8:30 am - 12:30 pm - July 17
Starting at St. Peter on the Prairie**

Beginning farmers and ranchers may be eligible for stipends up to \$200 each to defray the cost of travel and accommodation for full academy attendance.

Questions? Please contact Andrew Coggins at andrewc@ncat.org.
